## MORE ABOUT State Will

(Continued from Page 1.)

He added that the agreement on all points with state highway officials, reached in Friday's meeting, "is the first step in that direction."

**Points Settled**  
Among points discussed and settled at the meeting with highway officials, the mayor said, was the relation of sewer lines to highway locations, relocation of a water main on Bieman avenue, establishment of bus stop areas along the highway to give buses room to pull off to discharge and pick up passengers, use of dirt from the underpasses project and right-of-way for a front road along the riverfront highway.

He said they also discussed the closing of certain streets, but investigation showed that only the old County road would be affected.

Control of signal lights also was discussed. Mayor Lee said city officials asked highway representatives about authorization to use motor-fuel tax funds for work on traffic signals and said he was informed they would allow the matter and that there is "a good possibility" the city may be able to use motor-fuel funds for such purposes.

**Formal Action Soon**  
The newly defined agreement will be prepared for passage by the council soon, clearing away all preliminary procedure required by the highway department before the city's hearing.

Venice said his department of raising its share of the cost of the underpass and approach work, estimated at \$400,000.

A plan to revise McKinley Bridge bond ordinances to eliminate escalator clauses in principal payment requirements — and thus leave the city with significant income to finance the underpass payment — is now underway.

**Left Turn Accident**

Cars driven by Chester Schick, 2800 Sunset drive, and Anthony Ortolan, 4356 Edwardsville road, collided at 7:35 a.m. Edwardsville road as Ortolan tried to make a left turn off 21st street.

**More Yule Recordings**

pink tracks at 10:30 a.m. Friday from the Diamond Plating Co., 23rd and Monroe streets, where he was formerly employed. They were valued at \$1675.

All were recovered. Police found 14 of them in the trunk of his car when it ran out of gas at 26th street and Belmont avenue and the rest in another residence.

Two grey cash boxes containing an undetermined amount of money were taken from an office filing cabinet in a burglary Friday night at the B. E. Moody used car sales firm, 1508 Madison avenue. The thief broke glass in an overhead door, reached the office through an interior door and then pried open the filing cabinet. Investigation showed.

Four reports of thefts and attempted thefts from soda machines were received by Granite City police Friday. All were outside business places.

The Rose Boudier, 41, of 2901 Madison avenue, where about \$20 in cash, Carl's Sinclair service station, 2801 East 23rd street, where the coin box was missing, Carl's Sinclair service station, 2801 East 23rd street, where an attempt was made but nothing was missing, and Hamilton Sinclair service station, Nameoki road and Jill avenue, where another attempt was made but nothing was missing.

**Shop Entered Through Wall**  
A burglary was reported at 9:15 a.m. Friday at Frank's Key Shop, 1822 State street, but nothing was missing. Entry was gained by prying plywood off of the rear door of an adjacent building and then breaking through the wall into the key shop.

A roll of Kennedy half-dollars was taken and gold rings and wristwatches were stolen from the home of Walter Jones in the garage of his home at 2120 East 24th street early Saturday morning.

A black leather wallet, containing \$9 and an eyeglasses case owned by Mae Lambert, 3724 Nameoki road, were stolen from a room at the YMCA early Saturday.

R. A. Wilbur, 2617 Iowa street, reported today that his coral and grey 1955 sedan was stolen from his garage after 6 p.m. Sunday. The keys were in the car.

Mrs. Harold Scherer, Edwardsville, reported at 9 p.m. Sunday that her purse containing \$13 and papers was stolen from a living room couch at 2231 Washington avenue where she was visiting. She was in the kitchen when the house was entered through the front door.

**Damaged in Venice**  
Two autos were damaged in Venice at 5:40 p.m. Sunday at Broadway and the Wabash railroad tracks. The drivers, Larry D. Dillman, 2333 Paul street, and Howard Guenther of 2323 Gary avenue, were headed east when Guenther stopped at the tracks.

(Continued from Page 1.)

going to have to be ready to go on any day or another. If the people should vote down a general obligation bond issue for our own sewer, then we must be prepared to go in another direction, even if it means paying more money.

"The sanitary board (Billboard Sanitary Water Board) will not wait forever. They have been patient with us so far because we have been part of the levee district program, but we are going to have to do something soon."

The levee district program for construction of a sewage treatment system, including a \$2,724,000 treatment plant in the Lansing area of East St. Louis, dates back many years. The levee district completed its first study on pollution abatement as far back as 1959.

The present program is devised to serve Venice, Madison, National City, Fairmont, City Caseyville, Brooklyn, Washington Park and Rosemont. Participation would be based on monthly charges depending upon water usage, with flat rates for home owners.

In August, the levee district announced a rate of \$1.60 per month would be charged Venice and Madison users of the sewage disposal system, explaining this amount could decrease if other communities join the system. The levee district has been proceeding toward construction work and has opened bids on some sections of the work.

**Doubts Levee Fee Will Drop**

After the meeting Friday, Mayor Lee told the Press-Record that he is inclined to believe that the sewer charge is more likely to increase than it is to be lowered.

He said that thus far nothing has been worked out in detail concerning his proposal for the city's own sewage treatment program.

"There are several things that can be done," he said. "It is possible the city of Madison could build the system and Venice could pay a charge to Madison for its use, or it is possible Venice could build the system with Madison residents paying a monthly charge. It also is possible Madison and Venice could build the system together. These are details that will have to be worked out."

He said further meetings on the proposal will be arranged immediately after the holidays.

## Madison Lions to Erect 5 Club Emblem Signs

Madison Lions Club announced plans to erect club emblem signs to four entrances to the city during a quarterly zone meeting of area Lions clubs, held Thursday night at the Sportsmen's Club, Madison.

Due to the inclement weather, attendance was limited to 22 delegates and local members. Lloyd Schwartz of Edwardsville, zone chairman, presided over the business session, following a 6:30 p.m. dinner.

Announcement of the purchase of the five round, metal Lions signs was made by President Edward E. Dubish of Madison, who also welcomed the out-of-town guests.

Locations for the blue and gold signs bearing the Lions insignia have been tentatively set for south of the city limits on Route 203, at the eastern approach on Edwardsville road and one at either end of Madison avenue. A fifth sign is to be placed on the club's regular meeting place at Tenth and Iowa streets.

Jerry Maerz and Richard Kacera, both of the Madison Lions, have been presenting with medals of merit for exhibiting the most membership drive. In making the presentation, Schwartz congratulated the local group for membership of 115, which makes it the largest Lions club in the zone area.

Representatives who were introduced during Thursday's meeting included Elmer Jenne, president of the Edwardsville Lions, Donald Philip, Venice Lions Club president, and Philip L. Smith, also of Venice.

## City of Venice Wins \$1000 Accident Suit

A \$1000 claim against the city of Venice involving an auto accident on the McKinley Bridge has been dissolved by Magistrate Gasparovic, who ruled that the plaintiff failed to prove that the city was negligent.

The plaintiff, Guy Chapman, was in an auto accident on the bridge during an electrical storm. A fallen electric wire was involved in the accident, and Chapman claimed negligence on the part of the city for permitting it to remain on the bridge deck. The magistrate termed it as an act of God.

## Jill Avenue Accident

Preparing to make a left turn, a car driven by Florence Deane collided with another car driven by Sherwood Blanton, 3440 Division street, at 3 p.m. Thursday at Jill and Myrtle avenues. The front of the cars were damaged.

## Smith Re-Elected; Harris Ranks 13th Of Demos in House

All three Madison county Democratic candidates and Ralph T. Smith of Alton, Republican incumbent, were elected to the House of Representatives in the Nov. 3 at large election, it was learned last weekend.

The entire Democratic slate of 18 candidates was swept into office. Smith was 44th among the 39 Republicans who were elected. He received 8,142 votes, or 84.5 percent more than the 59th GOP candidate from Chicago who tallied 2,134-34.

Among the Democrats, Lloyd "Curly" Harris of Granite City placed 13th with 2,907,384 votes. Roland Kennedy of Alton was 37th with 2,281,870, and newcomer Daniel O'Neill of Alton was 73th with 2,233,743. The totals are incomplete as they do not include the vote from DuPage county. The Democratic count there was withheld because of a temporary injunction, and about 50,000 more votes should be added to the figures.

Edgar C. Lehman, East St. Louis incumbent, squeaked through as the 35th-ranked Republican candidate. Thirty-seven Republican incumbents were defeated out of the 68 that were placed on the ballot. The Democrats will have 17,043 votes under that of the last-ranked Democrat, James McLendon of Chicago, who obtained 2,208,108 votes in 101 counties.

Topping the Democratic ticket with returns from 101 counties of the 102 in the state was Adlai Stevenson III of Chicago, son of the former governor who was making his first attempt at office with 2,361,623 votes. The top GOP vote-getter was Earl D. Eisenhower of LaGrange Park, brother of the former president, who polled 2,191,065 votes in all of the counties. His total was 12,043 votes under that of the last-ranked Democrat, James McLendon of Chicago, who obtained 2,208,108 votes in 101 counties.

### Collinsville Snags 68-61 Victory After Erasing GCCHS Lead

There is still Indian warfare in Southern Illinois.

The old boys like Pontiac (the great Ottawa chief who named this area) and Wassetago (chief of the Illinois tribe, whose warriors killed the Peace River) and their people are long gone. But the Granite City Warriors and Collinsville Indians are still very much on the warpath.

Their basketball game Friday night in the GCCHS gymnasium could be likened to a skirmish between young bucks of opposing tribes—hard-fought if somewhat lacking in the skill wrought by experience. The Kahoks won 68-61 but the defending Southwest Conference champs were lucky to escape with their crew-cut scalps.

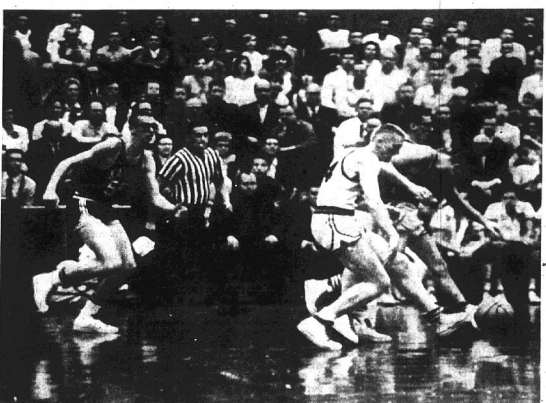

At the end of the third quarter, coach Andy Sullivan's inexperienced but inspired Warriors led the Kahoks by six points (49-43). But when the smoke of battle cleared, the visitors had outscored the locals 25-12 in the final period and had their second victory without a loss.

The action was savage hands, elbows and knees in lieu of tomahawks, and a whopping total of 53 fouls (31 by the Kahoks) were called.

Six foul out Less polished battles are often the most exciting and this one had the near-constant crowd of 2500 war-whooping all the way. Before the final buzzer, six of the starting 10 players had fouled out, including Vince Debeve, Joe Grohski and Jerry Moore of Granite City and Jack Darrington, Harry Parker and Mike Vincent of Collinsville.

With all the fouls, free throws played a big part in the scoring. The Warriors made 25 of their 42 attempts, the Kahoks 22 of 35.

From the field, GCCHS hit 38 of 46 (82%) and the winners made 23 of 47 (48%) in rebounds, the Warriors led 28-26. Both teams employed a press defense, a big factor in the high number of fouls.

**LOOKS LIKE INDOOR SOCCER** but it's just one of many scrambles for possession of the basketball in Friday night's Granite City-Collinsville game. Chasing the ball are the Warriors' Larry Ripka (worn uniformly), the Kahoks' Jack Darrington (leaning forward) and GCCHS' Vince Debeve (behind Darrington). Lugging behind is Mike Vincent (left) of Collinsville. Action took place late in the second quarter near mid-court after Darrington had batted the ball away from the Warriors and toward the Kahoks' goal.

On the occasion in the final quarter, 54-48 after being held to a 27-point lead at halftime, Ripka had 27 points and 14 rebounds. Debeve and Bill O'Neill, 12 for GCCHS while Bruce Arnold's 19 topped the winners. Granite City is idle until Friday night when it visits Belleville. The Warriors visit East St. Louis Saturday night.

## Devils Add 30 to 30, Sum—90-74 Victory

In journalistic parlance, "30" Madison-Clinton-Macoupin County at the bottom of a news story forces opener and against a means "The end." Adapting that team the Devils might face in basketball, the Venice Red this week's MCM tourney at Devils made the number mean Liveston.

At Trenton Friday night, the opens at 7 p.m. Wednesday Devils sank 30 field goals and 30 against the winner of the free throws which add up to a Westin-Bunker Hill game. The nice total of 90 points, Weslin Devils are seeded first in the scored well too, but not often tourney, followed by Breese, enough, and the Devils took a Bunker Hill and Liveston.

## North Wins 56-35 Over Coolidge Team

North of Collinsville defeated enemy (9), North Hall (6) and Coolidge 56-35 in a ninth grade basketball game Thursday night at Collinsville. It was the third straight game 36-31. High school wins were Tim Wallace for Coolidge was Tim Wallace. Steve Cressi topped North's 15 markers followed by Thunderbirds with 16 points. Gary Simpson (8), Jim Living, Top pointmakers for the Braves (4) and John VanBuskirk were Jeff Jones (10), Gary Ritz (13).

## Fast Start Boosts Shells Over Trojans

For the Madison Trojans, losing big center Paul Lusk must be something akin to the artist Van Gogh losing his ear—a very painful experience.

Lusk fouled out early in Friday night's basketball game at Rosanna and the Trojans dropped a 68-42 Midwestwestern Conference loss. A bad punster who had seen the Van Gogh movie might say the Trojans lost their "Lusk for life" in the game.

That wasn't the case however, for although coach Earl McClanahan's squad lost their desire for victory and rallied

strongly in the second half after trailing 37-20 at intermission. Lusk, a 6-2 junior who had scored 54 points in the Trojans' first two games and headed the rebounding, saw some 10 or 12 minutes of play. He picked up four fouls in the opening 10 minutes, was rested and then fouled out in the third quarter after making just one point.

**Rough, Rugged Game**  
It was a roughly-played contest with the better Shells holding the advantage over the lightweight Trojans. A high total of 48 fouls was whistled. They were big, rough and aggressive," said McClanahan. "We just couldn't stay with them in that first half. And of course, losing Lusk made a big difference, too."

Coach Herman Edwards' Shells caught fire in the closing quarter, took a 23-10 lead as they hit 11 of 18 field goal attempts, more fouls than they made in the entire second half.

It was the first conference win for Rosanna since Dec. 14, 1962, when the Shells beat Dupon 66-53. It was the first conference loss for Madison since Feb. 19, 1963, when Cahokia won 61-51.

**Turner Scores 24**  
With Lusk sidelined, guard Dale Turner helped pick up the slack and popped in 24 points compared to but three in last week's win over East St. Louis. The 5-10 junior speared 17 rebounds.

Mike DeVong also drew McClanahan's praise for a job well done. He made 18 points and 12 rebounds as the Trojans led in that department 43-32.

In field goal shooting, Rosanna hit 24 of 49 for 48% to Madison's 22 of 65 (34%). The Trojans will have three days to show their accuracy before playing in the O'Fallon Invitational tournament at 7 p.m. Thursday against the O'Fallons, St. Peter & Paul of Waterloo.

Rosanna also won the junior varsity contest, 55-31. The draws were both 1-1 scores. Normally now has a 2-1 win-loss record.

The Granite City junior varsity won 40-18 with Joe Martinez (25), Rich Hoshier (11), Dan Wilson (12), Bruce Jones (13) and Dean Jones (13) winning by falls.

Taking decisions were Bill Budgett (10), Brian LaMond (12), Mike Andria (13), Tom Jettiff (18) and Dewey Bell (heavyweight). John Kozak (13) lost a decision and Gary Leonard (165) was pinned.

Looking to the Riverview match, Schmitt recalled that the Warriors had to come from behind last season and take pins in the final two matches to win. The Rams (2-0) were in attendance Saturday, ambitiously taking notes as they watched the Warriors.

The varsity summary: GRANITE CITY 32, NORMANDY 10. 95 rounds—Mike Reynolds, GC pinned Steve Gray, 7-42; 103—Mike Reynolds, GC defeated Gary Jones, 4-1. 112—Steve Cavanaugh, GC pinned Ken Flatt, 1-47; 120—Dave Kelly N defeated Ernie Miller, 9-1; 127—Rich Brindley, GC defeated Pete Munni, 13-2; 133—Mike Reynolds, GC defeated Bill Schwab, 7-6; 145—Tom Mielicki, GC tied Karl Kohl, 1-154—Mike Monroe, GC tied Allen Davis, 1-1; 165—Dan Ginnola, N defeated Bill Monkin, 8-1; 180—Gary Farshaw, GC defeated Ken Henderson, 5-1; heavyweight—John Evenden defeated John Smith, 4-0.

# Sims, Baker Fire 300s at Bowland

Two 300 games, first of the local bowling season, popped up on successive nights last week at Bowland.

On Thursday night, Louis Sims rolled a perfect game in the A. O. Smith League, which he serves as secretary. The next night, actually the early morning hours of Saturday, Norm Baker fired a 300 in open play.

Sims got his in the third game while bowling for the Wreckers (Team 7). The 300 achieved on lanes three and four, followed games of 181 and 186 for a series total of 667, the night's high in the league. He maintains a 385 average.

A maintenance man at A. O. Smith Corp., Sims lives at 2823 Pontoon road.

Baker, 3005 Fair Oaks drive, is a left-hander with a 201 average in the Men's Classic League. His 300 came on lanes 25 and 28.

Manager Jack Jachino will award \$300 for Sims' game in league play and \$150 for Baker's open play 300. Sims will also be eligible for various prizes from the American Bowling Congress, but Baker will not.

Pieper now operates Pieper Funeral Home and is employed at the Granite City post office.  
The three brothers said a fourth brother, Donald, now living in Florida, tried every branch of the service in an effort to get into the fighting, but was unable to do so because of a severe hand injury suffered when a child.  
But to carry on the continuation of service and represent the family in every branch, the fifth brother, Robert, who was a small child when Pearl Harbor was attacked and world war II was being waged, enlisted 12 years ago—in the Navy. He brothers said he is aboard ship most of the time now out of Norfolk. He has a chief's rating in electric warfare and is making a career of the service.

## Airport Protest By Pontoon Beach Assures Hearing

A letter of objection to development of a half-million dollar, 150-acre airport east of Mitchell, sent to the Federal Aviation Agency by Board President Thomas Staloff of Pontoon Beach, has been accepted by the FAA as an official protest and will guarantee a public hearing on the proposal at a later date.

The Pontoon Beach village board of trustees was notified of the action during a meeting Thursday night in a letter received from the FAA, which also pointed out that an application for an operating certificate for the airport had been approved by the agency Nov. 4. The notice set out, however, that approval of the application did not provide final authorization for operation pending further investigations.

Board members were informed that protests to such projects must be filed within 15 days after granting of certificate applications. Staloff's letter, the notice said, had been received coincidentally, on the same date as approval of certificate application on Nov. 4. Therefore, the FAA notice said, the letter would be accepted as an official protest to the airport project and that a hearing would be scheduled.

### Charges Safety Hazards

Staloff, with approval of the board of trustees, protested development of the airport on grounds that there already is an airport in the area (Lakeside Airport) and that there would not be sufficient business to maintain two ports in the same district; that two landing strips in the same area would create a safety hazard; that the location of the air strip of the proposed new airport would create a hazard to motorists on Route 270, and that establishment of the proposed new airport would be detrimental to property values in the area.

Construction of the airport with a 3700-foot landing strip, a terminal building, sales and maintenance buildings, hangars and a motel with a restaurant and swimming pool is planned by Thomas Foster, president of Fostair Aviation, Ltd., now at Lambert Field. He owns 160 acres of land east of Mitchell, extending south of bypass 66-40 and new Interstate 270, and extending east of the Howland-Kaseberg farm.

The village board gave final passage to three ordinances. One of these controls the growth of weeds and obnoxious plants in the area, requiring residents to cut their grass or weeds before reaching a height of 12 inches. Another amends the first city ordinance permitting the addition of two members to the volunteer police force. The original ordinance provided for three officers and a village marshal. The new ordinance provides for five officers and a marshal. The third ordinance sets up no-parking areas in the Lake drive vicinity. All of the ordinances were advanced from first to second reading in previous meetings and were advanced to final reading and passage Thursday night.

### Check Street Names

Lawrence Ensor, member of a special street committee appointed to investigate the names of streets in the area with a view toward eliminating names that are duplicated by or are similar to streets in surrounding communities, said a report of the study will be presented to the board members for action in the next meeting.

A treasurer's report showing a balance of \$3066 in the village treasury as of Nov. 30 was received by the board, and Edison Phelps, village clerk, reported that \$430 in motor fuel tax funds has been received for the month of October.

The board authorized Phelps to purchase a typewriter for \$112.50 from Graham's Book store in Granite City for the clerk's office, and authorized Phelps to proceed with preparation of petitions for village candidacies in the 1965 municipal elections.

Because of the Christmas and New Year's holidays, the regular December meeting of the board, originally scheduled for Dec. 24, will be postponed until Thursday Jan. 14.

### Reckless Charge Dropped

A charge of reckless driving against Kenneth Archer of 2843 Myrtle avenue, was dismissed Thursday by Magistrate Gasparovic. Archer was fined \$25 and costs on a drunk charge. He was arrested Oct. 20.

#### Hit-and-Run Accident

The left side of a car driven by Genevieve Gunn, 2818 East 25th street, was damaged by a hit-and-run driver at 7:30 p.m. Thursday at Nameoki road and Iowa street. She said the other driver, who was left of the center line, stopped momentarily and then continued south.

#### 16 to Confer on Use of Former Post Office

Sixteen governmental officials and organization presidents will meet at 7:30 p.m. Wednesday at the Granite City school board office to consider utilization of the downtown post office site which was acquired by the school district a year ago from the federal government.

The school board has referred the topic to the committee because it feels the building and its triangular block are not suitable for school classrooms or offices. Principal alternate usage which has been discussed involves tax-

#### Oil Furnace Overheats

Namooki (press) was called to the home of Bernard Strain, 2833 Forest avenue, at 12:10 a.m. Friday when an oil furnace became overheated. There was no loss.

#### Four Hubcaps Stolen

Four hubcaps were stolen from a 1963 car owned by Don Hais, Edwardsville, while it was parked at the Club Delmar, 1832 Delmar avenue, it was reported at 4:25 p.m. Thursday.

## Mail Early—Beat the Rush And Crush, Postmasters Urge

A record volume of mail is predicted for this Christmas season, and local postmasters are gearing for the rush to handle about 10% of the year's mail in less than three weeks.

The postmasters pointed out that the holiday mail volume has been going up at a rate of nearly 3% a year for the past several years, and throughout the country it is expected that the volume of the structure and creation of a park, including either a historical monument or fountain, or

2-billion pieces of incoming and outgoing mail will move through U.S. Postal system this month.

Postal authorities said that public cooperation is one important reason that post offices are able to handle this huge mountain of mail in such a short period.

"Without the assistance of the public, we'd be in a jam," local postmasters said today. "People who shop early and get their cards and parcels into the mails early make it possible for the holiday mail to be delivered on time. Imagine what it would be like if we were to get all the holiday mail the last week before Christmas."

In addition to early mailing, the postmasters offered several other suggestions which will help the hard-working postal employees move this avalanche of mail.

First, they recommend using ZIP codes which help handle the mail faster because of a new transportation and distribution set-up.

ZIP Code also helps clerks to identify receiving post offices when addresses are hard to read. During this time of the year, the faster mail is processed the better chance it has to make connections with outgoing trains, planes and trucks.

The postmasters also recommend that all parcels be wrapped securely, packed tightly and that the address be included inside the package as well as on the outside. This helps assure delivery even if the outer wrapping comes loose.

Another suggestion is the use of new Christmas stamps to help brighten envelopes and packages.

#### Thursday Deadline For Church Programs

Because most churches will have Christmas programs on December 20, it will be necessary to publish the announcements in the Dec. 17 issue of the Press-Record, and a Thursday, Dec. 10, deadline has been set for turning in the information.

All churches of the Quad-Cities are being invited to submit programs to the Press-Record for publication in the Dec. 17 issue. They may be brought to the new paper office, 1815 Delmar avenue.

Church secretaries and pastors are urged to submit the information by the Dec. 10 deadline in order that the items may be processed in advance.

#### Fined \$50 for Report

Bobby W. Revelle, 27, of 2011 Missouri avenue, was fined \$50 and costs Friday by Magistrate Gasparovic for making a false robbery report on Thanksgiving Day. He pleaded guilty to a charge of disorderly conduct. He had lost \$90 in a game of ship, Captain and mate in a Granite City tavern and decided to report the loss as a robbery.

#### Rabbit Hunters Active

Reports that "rabbit hunters" were active in the vicinity of Idaho avenue and St. Paul street and at West 25th and Logan streets were received by Granite City police Thursday afternoon. The hunters were gone when police arrived.

#### Two Autos Collide

Car drivers James A. Lewis, 5 Jones Park, and Gerald H. Randjef, 63 Oakland drive, collided at 4 p.m. Thursday at Pontoon road and Wabash avenue. The front of the Lewis car and the right rear of the other were damaged.

#### Cahokia Mound Council Nominating Deadlines

The Cahokia Mound Boy Scout Council nominating committee, headed by G. H. Sternberg, will meet Thursday night, review recommendations and prepare a list of officers and council members for 1965, it was announced this week. Scouters currently are submitting names.

The election will take place at the annual council meeting Thursday, Jan. 28. Yearly reports will be heard, sponsoring groups with the oldest units in each district will be honored, other awards will be given and council growth plans for 1965 and 1966 will be presented at the Jan. 28 dinner.

Another approaching deadline is Dec. 20, last day to submit nominations for council Silver Beaver awards.

City and scout leader round-table meetings will be held here Monday and Wednesday nights, Jan. 7 and 9, respectively, and the Unihub district committee will meet Dec. 10. A council Eagle board of review is set for Dec. 17.

#### SWIMAPC as Zoning Clearing House Sought

Gene Graves, executive director of the Illinois Board of Economic Development, has proposed that the Southwest Illinois Metropolitan Area Planning Commission serve as a clearing house for complaints and amendments to the Madison county zoning ordinance.

He suggested that commission members could hold hearings on complaints or proposed revisions from county residents and forward recommendations to the zoning committee of the Madison county board of supervisors.

Theodore Miksel, executive director of the commission, said, however, that he has had no direct communication with Graves on the proposal and that members of the commission have not given it any consideration as yet.

At the November meeting of the county board an attempt was made to authorize Harold Landolt, chairman, to appoint a special citizens committee to hear and study zoning complaints and problems.

A majority of the board felt that duties of any new zoning committee would merely overlap those of the board's existing committee and that a new committee is not necessary. That proposal did not come to a vote as the motion was ruled out of order on a technicality. It may be introduced again at the Dec. 16 board meeting. A move to repeal the zoning ordinance at the last meeting also was defeated.

**Beat dry weather discomfort... Try a humidifier**

Ever consider moving to the Sahara Desert? If the idea doesn't strike your fancy, then it's time to buy a humidifier. During the cold winter months, the air inside your heated home actually may get as dry as the Sahara Desert. That's a fact. This causes dry nasal passages, chapped lips, fuzzy, unmanageable hair.

Dry heated air is damaging to your furniture, drapes and carpets, too.

An electric humidifier restores the proper amount of moisture to the air. Living comfort returns to normal. Find out why homeowners who have a humidifier wouldn't be without one. It needn't cost a cent to find out!

# Jr. Tri-Hi-Y Council Hears Mrs. Wolverton

Mrs. Boyd Wolverton, wife of the pastor of First Assembly of God Church was guest speaker at the December meeting of the Junior Tri-Hi-Y Adult Council at the YMCA Thursday.

Mrs. Wolverton, who is introduced by Mrs. Harry Epstein, chairman, spoke on the significance of proper influence in the home and church and by outside groups for the youngsters of junior high school age.

Discussion of activities for the Junior club program and the Christmas school vacation was led by Mrs. Bonnie Fuller, YMCA club director, assisted by Mrs. Gerry Reber and Mrs. Shirley Tretter, club advisors.

Parents are invited to attend the 10 a.m. sessions, and the next meeting is set for Jan. 7.

# GI Insurance Dividend Payments to Start Jan. 2

Speeded-up payments of \$224.1 million in 1963 GI insurance dividends were ordered today by John S. Gleason, Jr., administrator of Veterans Affairs, following the request of President Johnson to continue the accelerated dividend payments as has been done three times in the past four years.

The dividends will be divided among 4,610,000 veterans, holders of World War One, U. S. Government Life Insurance, and World War Two National Service Life Insurance.

Gleason expressed the hope that the entire payment could be started immediately after New Year's Day and completed by Jan. 10.

The 1964 dividend of \$229 million was paid in record time—eight days. In 1963, the dividend checks were mailed out in 31 days. In 1961, less than three months were required. In previous years, and in 1962, the dividend payments had been made on the anniversary dates of the policies.

In Illinois, 290,593 veterans holding NSLI will receive \$14,154,000; and 12,427 veterans

holding USGLI will receive \$88,100, John B. Naser, VA's regional office manager in Illinois, announced.

The regular dividends are primarily a return to the policyholders as part of the premium payment since the death rate among GI policyholders continues to be lower than the rate upon which the payments were established by law.

Gleason reminded policyholders that the preparing and mailing of dividend payments are automatic and require no correspondence from veterans or their families.

# Rotary to Visit Sister District in Malaysia

Granite City and Madison Rotarians are devising participation in an "around-the-world" tour Feb. 8-Mar. 7, which will include a visit to the sister district in Kuala Lumpur, Malaysia, Feb. 19-21.

Rotary International has paired faraway districts to encourage worldwide contact and understanding, and the flight by Illinois Rotarians and Rotary Ann was originated by District Governor Ben D. Kinsingham, Peoria, who informed the Granite City and Madison clubs of the plan during his official visits here this fall.

It has since jelled into a specific itinerary including visits to Rotary clubs in such scattered places as Hawaii, Japan, Taiwan, Hong Kong, Thailand, India, Egypt, Jordan, Greece, Italy and Spain. Participants will include Quind-Cities' sister district in Kuala Lumpur, Malaysia, Feb. 19-21.

Brig Young, governor of RI District 330 in Malaysia, included residence at Rotarians' homes in his invitation, and other governors are making plans to aid the travelers in seeing historic points of interest and gaining first-hand information about economic, social and political issues of each nation.

# Venice Man Fined on 3 Charges; Pays \$45

Armin Anderson, 50, of 1307 Logan street, Venice, paid \$45 fines and costs of \$45 Thursday afternoon on charges of disorderly conduct, carrying a concealed weapon and using profane language. Magistrate Wesley Edwards of Venice assessed fines of \$10 each, and costs on each charge, upon Anderson's plea of guilty.

Police said they went to Anderson's home to question him about a car which Anderson was repairing had been unable to get possession of the car. Police reported Anderson became abusive and that when they booked him at headquarters he was found to be carrying an illegal knife.

# TRRA to Get Delivery On 10 Locomotives

The Terminal Railroad Association is to get delivery on 10 switching locomotives during the first quarter of 1965. It was announced today by William Moore, TRRA president.

Each of the bright red 1200 hp diesel-electric locomotives weighs 125 tons and is capable of pulling a string of freight cars weighing 3750 tons. The TRRA handles 65% of the freight transfer over its 264 miles of track in the two-state area and serves over 400 industries, connecting with main lines of 18 railroads.

### SEAMAN KALIPS BEGINS COMMUNICATION COURSE

Seaman Apprentice Leo Kalips, son of Mr. and Mrs. Leo Kalips, 614 N. 10th street, left Wednesday evening for plane to San Diego, Calif., where he will spend the next 20 weeks at a Navy radio-communication school.

Kalips had spent a 14-day leave with his parents and brothers and sisters, Mike, Barbara, Patty, Charlotte, Felicia and Joseph.

Mrs. Vivian Condit met with Den Four, Cub Pack 19, at her home, 2709 Cayuga street, Wednesday evening.

The meeting was opened with the pledge of allegiance and the girls worked on Christmas cards for their parents. Refreshments were enjoyed and a living circle closed the meeting.

Those attending were Gregory Blackwell, David Gilmore, Robert Kitchell and Michael and Terry Myers.

Den One of Cub Pack 19 met Wednesday evening at the home of the den mother, Mrs. Rena Binslow, 2708 Cayuga street.

A flag ceremony opened the meeting and the boys made Christmas presents for their parents. Games were played and refreshments were served.

Cubs present were David Me, Neal, Elton Olsen, Randy Torken, Gary Peters and Mark Goodson.

Den Five Cub Scouts held their regular meeting Wednesday evening at the home of their den mother, Mrs. Gerry Peters, 264 Cayuga street.

The cubs worked on Christmas projects for their parents. Exchanging of names for Christmas was planned.

A game was played and refreshments were enjoyed. Richard and Woods was elected as the new denner. Others present were Richard Bart, Dennis Bernick, Lynn Hufford, Allan Johnson and Billy Brannan.

The Webelos den of Cub Pack 19 met Wednesday evening with a leader, Oliver Gilmore, 2748 Roosevelt avenue.

The session opened with the

pledge to the flag. Christmas gifts for parents were constructed.

Games and refreshments were enjoyed by Robert Gilmore, Terry Mauser, Michael White, Jerry Condit and James E. Utley.

Brownie Troop 945 met Wednesday evening in the cafeteria at Washington school.

Roll call opened the meeting, followed by collection of food for baskets to be given to needy families in the next 20 weeks.

Brownies present were Mary Beth French, Kimberly Gale, Theresa Gilham, Cynthia Kay, Jicks, Sherry Lynn Jones, Gail Lewis, Connie Lindsey, Marlene and Maxine Marrison, Brenda Smith, Paula and Rhonda Tadlock, Debra Wagner, Denise and Julie Whitson, Tina Sue Bernard, Cynthia Bonnie Angle, Denise Wilson and their leader, Mrs. Norma Jean Angle.

GIRLS' CLUB PLANS CHRISTMAS PARTY

The Lincoln Place community center girls' club held a regular meeting Wednesday night at the center, 822 N. 10th street.

The meeting was presided over by the president, Lynn Lovacheff, and reports were given by Janet Gruher and Rosa Jaime.

Two new members welcomed were Christy Christich and Barbara Bailey. After the meeting, the girls played games.

Present were Lynn Lovacheff, Sandra Alvarado, Janet Gruher, Rosa Jaime, Teresa and Becky Alvarado, Marguerite Morfitt, Cheryl Morgan, Lisa Garcia, Linda Butler, Connie Evans, Cheryl Thiel, Vicki Valencia, Vicki Gracey, Christy Christich, Barbara Bailey and Gloria Blenick, club sponsor.

"It Happened at the World's Fair" was the film shown Friday night at the park district community center. The girls' club provided refreshments during the evening and about 75 attended.

"Gypsy Gals" will be shown Dec. 18.

The Lincoln Place Mothers' club met Thursday night at the community center with Mrs. Joseph Vangel presiding. Mrs. Dorothy Petrillo leading the flag

### Miss Viola Janning Dies in St. Charles

Miss Viola J. Janning, 60, of St. Charles, Mo., a resident of the Quaker drive area for 52 years, died at 2 p.m. Saturday in Deaconess Hospital, St. Louis, after an illness of two years. Death was due to cancer.

Miss Janning was born in Madison and was a lifelong resident of Madison and Granite City until she moved to St. Charles eight years ago. While in Granite City she had been employed by the Illinois Power Co. and in St. Charles was vice president of the Kuhlmann Stores, Inc.

She is survived by her mother, Mrs. Laura Janning; a sister, Mrs. Joseph Zimmer of 2318 Hodges avenue, Granite City; and four brothers, Fred and Richard of St. Charles, Henry of Bakersfield, Calif., and Walter of Affton, Mo.

Funeral services are to be held Tuesday at 1:30 p.m. in St. John's United Church of Christ, Fifth and Jackson streets, St. Charles. Burial will be in St. John's Cemetery, 2901 Nameoki road, Granite City.

### Former Madison Resident Dies in Houston, Tex.

Joseph Werner, 73, Houston, Tex., a former Madison resident for many years, died in his home at Houston, Saturday. Mr. Werner was born in Madison and worked for many years at Granite City Steel Co.

He leaves his wife, Mabel, a brother, Charles Werner, and a sister, Mrs. Katie Lewis, both of Madison. John Lewis, a nephew, led Madison this morning to attend funeral services.

### Three-Car Accident

A car driven by Grant Wilson, 2251 Benton street, struck the rear of another car owned by Konrich, 2433 Adams street, in front of his home at 3:15 p.m. Sunday. # \$15,000 Dranshop Suit Filed Against Mickey's

A \$15,000 damage suit has been filed by Jo Ann Cardin against Mildred Myravorich, doing business as Mickey's tavern, 1963 McCambridge avenue, Madison, in the Madison county circuit court at Edwardsville.

The complaint alleges that last March 23 Melba Cartmensen was served alcoholic beverages and became intoxicated in the tavern before she became involved in an auto accident with a car driven by Joseph J. Lesko near the McCambridge avenue viaduct. The plaintiff, a passenger in the Lesko car, claims permanent and serious injuries and demands a jury trial.

# Man Faces Two Charges

Marion Hanks, 2416 Madison avenue, was arrested about 1:20 a.m. Friday at Ohio avenue and Rock road on charges of being drunk and disorderly. He was released on \$50 bail for a hearing Dec. 30.

# Development Group to Hear Committee Reports

A luncheon meeting of the new industrial development organization formed on the Illinois side of the St. Louis metropolitan area will be held at Augustine's restaurant in Belleville at noon Tuesday.

Chester L. Baker, president, Tri-City Printing Co., who was appointed temporary chairman at the founding meeting on Nov. 10, will preside. Reports will be given by Harold R. Fischer, president, First Granite City National Bank, chairman of the Organization Committee, and Clifford M. Peske, executive vice-president, Belleville Chamber of Commerce, chairman of the Program Committee.

About 30 representatives of Madison and St. Clair county organizations are expected to attend tomorrow's meeting.

The 20th annual free Christmas art show will be held in the Granite City high school auditorium at 7:30 tonight under direction of Eugene Alassi, school district art director. Centrepieces, Christmas figures and package wrapping ideas will be displayed.

Christmas items made of styrofoam and evergreen will be demonstrated and 75 of the items will be given away to the audience. Unusual package wrapping ideas will be shown and home exterior and interior decorating ideas will be explained. The show has attracted capacity audiences in past years, and for that reason interested persons have been urged by Alassi to arrive early as seats will not be reserved.

## Two controls, two sleeping comforts in one Electric Blanket

WONDERFUL GIFT IDEA—an electric blanket. The beauty of it is mother and dad can each dial their own sleeping comfort. That means she can sleep in the balmy Bahamas while he saws logs in the coolness of Canada. Each has his (or her) individual temperature control right at hand. And one lightweight electric blanket can be as warm as three ordinary blankets.

Electric blankets come in a wide variety of decorator colors, too. Get one for every bed in the house. Only \$2 down at our office.

Season's Greetings from all of us at—

## The Members of Typographical Union No. 8 ARE ON STRIKE

AT THE  
**METRO-EAST JOURNAL OF EAST ST. LOUIS, ILLINOIS**

The members of No. 8 have been working in this plant for 23 months since our last contract expired. We and our International Union have made every effort to reach an agreement on the terms of a new contract without success.

Knowing that a strike is a serious matter and only to be used as a last resort, we have waited since May 15, 1964, the date of our last meeting with the company, to get some indication from the publisher of a willingness to try and reach an agreement. They have adamantly maintained their position.

The company has imported people from out of town to do the work of our people and the members of the other unions who are honoring our picket lines. In other words they are using what they term supervisory employees of their newspaper chain as strikebreakers.

The members of the union would appreciate your help and support in every way possible.

**TYPOGRAPHICAL UNION NO. 8**

**Right-of-Way Charge**  
Charles Robertson Jr., 21, of 1207 Twenty-second street, pulling out of a driveway, was arrested for failure to yield the right-of-way in a collision at Venice avenue and Nameoki road at 11:35 a.m. Saturday with the left rear of the southbound auto of Paul Deidiker, 2525 Pine street. The latter car was thrown against the northbound car of John Batson, 133 Central lane. Robertson's hearing was set for Dec. 15.

**Elected as Director**  
Alex Grammatov, Nannamoo, Mo., formerly of Granite City, has been named vice-president and elected to the board of directors of Wagnu, a spokesman for the radio station announced today.
